Aurora Diagnostic Mark & Kambour Pathology (M&KP) has been honored and privileged to include renowned physician Dr. Ana L. Viciana as a valued member of its pathology staff since 2000. Dr. Viciana was appointed as medical director of M&KP in 2010 and is dedicated to the continued development and expansion of its pathology program and service to physicians and their patients in the southeast region. Committed to the role of Medical Director, she expanded her education to include a masters in business administration from the University of Miami with a concentration in health care administration.

Dr. Viciana is nationally board-certified in anatomic and clinical pathology and in immunopathology. Having earned a medical degree (M.D.) from the prestigious University of Miami Leonard M. Miller School of Medicine, Miami, FL, Dr. Viciana then distinguished herself via the successful completion of two residencies and a fellowship, as follows: a one-year residency in anatomic and clinical pathology from the Georgetown University Medical Center, Washington, DC; a two-year residency in anatomic and clinical pathology from the State University of New York (SUNY) School of Medicine, Stony Brook, NY; and a one-year fellowship in immunopathology from the University of Miami Leonard M. Miller School of Medicine. In addition to her qualifications in immunopathology, Dr. Viciana specializes in urologic, gastrointestinal, and oncologic pathology.

During the period 1992-2000, Dr. Viciana served with utmost distinction in an incredible series of key positions within both the academic and clinical service arenas, as exemplified by the following:

- Assistant professor of clinical pathology, Immunopathology Division/Department of Pathology, University of Miami Leonard M. Miller School of Medicine (hereafter abbreviated as "UMLMSM"), Miami, FL (1992-97).
- Associate professor of clinical pathology, Immunopathology Division/Department of Pathology, University of Miami Leonard M. Miller School of Medicine (hereafter abbreviated as "UMLMSM"), Miami, FL (1997-99).
- Attending physician, Diagnostic Immunology Laboratory (Pathology Reference Services), UMLMSM, Miami, FL (1992-99).
- Attending nephropathologist, Immunopathology Division/Department of Pathology, UMLMSM, Miami, FL (1992-99).
- Attending physician, Immunopathology Division (Pathology Reference Services), UMLMSM, Miami, FL (1992-99).
- Attending transplant pathologist, Immunopathology Division/Department of Pathology, UMLMSM, Miami, FL (1992-99).
- Director, Stem Cell Cryobiology and Graft Engineering Laboratory, Department of Pathology, UMLMSM, Miami, FL (1994-99).
- Attending physician, Diagnostic Molecular Pathology Laboratory (Pathology Reference Services), UMLMSM, Miami, FL (1996-99).
- Consultant, Flow Cytometry/Oncology Laboratory, Community Blood Centers of South Florida, Broward County, FL (1996-2001).
- Attending physician, Autopsy Service, Department of Pathology, UMLMSM, Miami, FL (1997-99).
- Associate professor of clinical pathology, Immunopathology and Anatomic Pathology Division, Department of Pathology, UMLMSM, Miami, FL (1998-99).
- Attending physician, General Surgical Pathology, Department of Pathology, UMLMSM, Miami, FL (1998-99).
- Staff pathologist (full academic rank), Department of Pathology and Laboratory Medicine, Cleveland Clinic Florida, Weston, FL (1999-2000).

Dr. Viciana has coauthored numerous pathology-related articles that were subsequently published in some of our more prestigious scientific journals. (See the reverse side of this CV for a Sampling of Published Works.)
